Hendrick Anesthesia Network Patients
Hendrick Medical Center Physician Patients

From: Hendrick Provider Network, CBO

Subject: Express Consent

Date: April 12, 2016

Hendrick Provider Network will use available written, verbal or electronic means to communicate with all of its' patients. This can include email, text messages and telephone calls to your home, wireless or employment telephone numbers. When you provide Hendrick Provider Network with your contact information, you are expressly consenting to being contacted via any or all of the above mentioned methods by a live person or automated service/device. You may incur fees for calls and messages from your telecommunications provider for these communications. In addition, if a payment is not made by the due date and acceptable payment arrangements are not made, Hendrick Provider Network may use debt collection agencies or other remedies allowed by law. By providing your telephone numbers to Hendrick Provider Network, including wireless and employment numbers, you are ***expressly consenting*** to being contacted on those numbers for any purpose related to your account, including debt collections, by a live person or automated dialing device.
